#### **What Does a Mentor Do?**

- Marketing
- Accounting
- Web building
- Copywriting etc

#### **How Does the Magical Mentoring Program Work?**

- You will be directed to other experts from Barbara Gabogrecan's network that can give you more expert advice when necessary (some will give time free and/or charge for time, but will advise you based on your individual needs)
- You will have access to 'no cost - low cost' product and services specially designed for home business start up operators, if you require them
